

PIN THIS ON YOUR WALL

mature
A fit, bloke looking for WORK!

NOT JOBS, JUST WORK

There's lots of things that need doing out there, but businesses don't have the resources or time. It might be:

- **office work such as filing or database entry**
 - **some research and marketing**
 - **or just plain, hard YAKKA!**

I've got a lot of skills and experience, across different sectors, so I've got much to offer including:

Customer Service	Computers	Databases
Marketing	Training	Recruitment
Filing	Delivering	Driving
Stocktaking	Proofreading	Typing

& MUCH MORE!

I've also got the right ATTITUDE. I believe in doing a job properly and well. Even better, I've got my own ABN, so you'll get no add-ons such as super, just a plain old invoice.

SO, IF YOU'VE GOT SOME WORK TO BE DONE AND NOBODY TO DO IT, WHY NOT GIVE ME A CALL?
